- ✓ 24/7 Emergency Response
- ✓ Scheduled visits for cleanings & instrumentation calibration
- ✓ A comprehensive inspection and testing routine
- ✓ Operator training
- ✓ Cleaning studies
- ✓ Chemical optimization
- ✓ CIP cleaning and backwash support
- ✓ Membrane replacement and autopsy
- ✓ Plant operations review
- ✓ Secure remote monitoring of all key operating parameters
- ✓ Equipment repairs
- ✓ Membrane & antiscalant projections

## Products & Services

### Cartridge Filters

### Water Treatment Chemicals

Antiscalants, Membrane Cleaners, Corrosion Inhibitors, Coagulant and Flocculant

### Chemical Dosing Pumps

### Membrane Replacements

### Instrumentation Service and Supply

pH, Conductivity, Chlorine, Turbidity, Temperature, Pressure, Flow, Level, ORP, DO

### Media Replacement

Greensand, Filtralite, Calcite, Corosex, Activated Alumina, Granular Activated Carbon, and Others

# Product Partners

## Valves & Actuation

Delco's valves and actuation, provided by companies such as Bray and Georg Fisher, provide premium flow control that you can trust.

## Water Analysis & Instrumentation

Delco's selection of various water instrumentation and analysis equipment help to ensure your system is running effectively and efficiently. Delco's water analysis and instrumentation equipment product partners are Endress + Hauser, Hach, and Georg Fisher.

## Chemical Systems

Delco provides leading edge chemical systems from Grundfos and Stenner that do the work so you don't have to. The systems provide chemical solutions proportionate to your systems requirements for ease of operation.

## Pumps

With Delco's main partner for water treatment pumps being Grundfos, our selection of premium pumps can be used for a variety of water applications.

## Membrane Technologies

Delco offers a wide variety of membrane filtration products from water treatment industry leaders such as Pentair, Suez, Dupont, Hydranautics, Toray, and NX Filtration. These membrane technologies are designed to fit to your water needs so you can get the most out of your water treatment investment.
